John/Keith - Treasurer's Report (via email)

PTA is now using Suntrust Bank instead of Fidelity. Most of the funds have been transferred over, but we are waiting to transfer the rest until we know all Fidelity checks have cleared.

Book fair funds have been deposited and Little Shop of Stories has been paid. Net profit from the event was roughly \$2,000.

In the future, we should have an ongoing line item to carry fund-a-need funds across years to make it transparent where those funds come from and how much we have on hand to make purchases.

Group

Lindsay DuVall will chair this year's Read-a-Thon. The Read-a-Thon will be held from January 24-January 31. Amber will locate and update last year's forms.

Mead Road Marie Gras will be February 8. We have a committee of 6-8 parents. The group loves the Old Mead Road (Old Town Road cowboy theme) idea.

The Give-a-Hoot Auction will be held on March 20, 2020 at the Historic DeKalb Courthouse. The auction committee meets again tonight.

Tanisha

Based on continued estimates, the awning may be more expensive than previously thought and the building cannot effectively be broken into stages. The most expensive work would need to be done first. PTA will consider making this a fund-a-need item at the auction once the risers for music are purchased.

PE teachers across the district will be attending the Groove Experience training. Cost is \$500 per school and funds will be allocated from the professional learning line item of the PTA budget.

Kim moves to adjourn at 7:51. Adjourned.
